Revision: 17.05.2023

Printing date 17.05.2023

Version No. 3

Revision: 17.05.2023

(Contd. of page 1)

Trade name: UZIN NC 170 LevelStar

• Additional information:

Low in Chromate (< 2 ppm) acc. Regulation (EC) No 1907/2006 (REACH, annex XVII, 47).

· Other hazards

- · Results of PBT and vPvB assessment
- · **PBT:** Not applicable.
- · vPvB: Not applicable.

#### **3** Composition/Information on ingredients

· Chemical characterisation: Mixtures

• Description: Mixture of substances listed below with nonhazardous additions.

| · Dangerous | components: |  |
|-------------|-------------|--|
|             |             |  |

| CAS: 65997-15-1 Portland cement 10-<2  | CAS: 14808-60-7<br>EINECS: 238-878-4 | ~ ` ` ` | 25-50%  |
|--|--------------------------------------|---------|---------|
| EINECS: 266-043-4 📀 Eye Dam. 1, H318; 🕔 Skin Irrit. 2, H315; STOT SE 3, H335 |                                      |         | 10-<20% |

• Additional information:

The amount of respirable crystalline silica is less than 0.1 %. For the wording of the listed hazard phrases refer to section 16.

#### 4 First aid measures

- · General information: No special measures required.
- · After inhalation: Supply fresh air; consult doctor in case of complaints.
- After skin contact: Immediately wash with water and soap and rinse thoroughly.
- After eye contact: Rinse opened eye for several minutes under running water. Then consult a doctor.
- · After swallowing: Do not induce vomiting; call for medical help immediately.
- · Information for doctor:
- Most important symptoms and effects, both acute and delayed No further relevant information available.
- · Indication of any immediate medical attention and special treatment needed

No further relevant information available.

## 5 Fire fighting measures

- Suitable extinguishing agents:
- CO<sub>2</sub> powder or water spray. Fight larger fires with water spray or alcohol resistant foam.
- For safety reasons unsuitable extinguishing agents: Water with full jet
- Special hazards arising from the substance or mixture No further relevant information available.
- · Protective equipment: Wear dust mask.

#### 6 Accidental release measures

- · Personal precautions, protective equipment and emergency procedures Wear dust mask.
- Environmental precautions: Do not allow to enter sewers/ surface or ground water.
- Methods and material for containment and cleaning up: Pick up mechanically.
- · Reference to other sections
- See Section 7 for information on safe handling.
- See Section 8 for information on personal protection equipment.
- See Section 13 for disposal information.

## **10 Stability and reactivity**

· Reactivity No further relevant information available.

- Thermal decomposition / conditions to be avoided: No decomposition if used according to specifications.
- · Possibility of hazardous reactions No dangerous reactions known.
- · Conditions to avoid No further relevant information available.
- *Incompatible materials:* No further relevant information available.
- · Hazardous decomposition products: No dangerous decomposition products known.

### **11 Toxicological information**

· Information on toxicological effects

• Acute toxicity Based on available data, the classification criteria are not met.

· Skin corrosion/irritation Causes skin irritation.

(Contd. on page 5)

NZ

Printing date 17.05.2023

Version No. 3

Revision: 17.05.2023

Trade name: UZIN NC 170 LevelStar

- · Serious eye damage/irritation Causes serious eye damage.
- · Respiratory or skin sensitisation
- No sensitising effects known.

*Low in Chromate (< 2 ppm) acc. Regulation (EC) No 1907/2006 (REACH, annex XVII, 47). Based on available data, the classification criteria are not met.* 

• Germ cell mutagenicity Based on available data, the classification criteria are not met.

· Carcinogenicity Based on available data, the classification criteria are not met.

- *Reproductive toxicity Based on available data, the classification criteria are not met.*
- STOT-single exposure Based on available data, the classification criteria are not met.
- STOT-repeated exposure Based on available data, the classification criteria are not met.
- Aspiration hazard Based on available data, the classification criteria are not met.

#### **12 Ecological information**

- · Toxicity
- Aquatic toxicity: No further relevant information available.
- · Persistence and degradability No further relevant information available.
- Behaviour in environmental systems:
- · Bioaccumulative potential No further relevant information available.
- *Mobility in soil* No further relevant information available.
- Additional ecological information:
- General notes: Do not allow product to reach ground water, water course or sewage system.
- · Results of PBT and vPvB assessment
- · PBT: Not applicable.
- · vPvB: Not applicable.
- · Other adverse effects No further relevant information available.

### **13 Disposal considerations**

- · Waste treatment methods
- · Recommendation
- Do not allow product to reach sewage system.
- Mix product residues with water, allow to harden, then dispose of as construction waste.
- · Uncleaned packaging:
- · Recommendation: Empty paper packaging is recyclable.
