

ON THE FLOOR

LATEST NEWS - NEW RELEASES - SPECIAL DEALS

AUGUST - OCTOBER 2022

FROM THE DESK:

Dear Clients ,

Welcome to the August - October edition of On The Floor. We are excited to have a complete offering of Roll Strippers now available (see below) as well as a national offering of plywood available with our new CNZ product now available in the South Island.

In this issue we feature our Protect Crete X200 and X220 Concrete Moisture Barrier which is guaranteed for 15 years.

Also check out our recent major Uzin project in association with Queenstown Flooring Xtra at the T Galleria site in Queenstown. Some 2300 bags of Uzin product were used to level over 2500sqm.

Thanks to those Gilt Edge Staff involved in this large complex project and in particular to Account Manager Martin McCarron for his significant involvement in all aspects of the project .

Best regards
The Gilt Edge Team

COMPLETE RANGE OF ROLL STRIPPERS NOW AVAILABLE

THE NAME SAYS IT ALL

Concrete moisture barrier

that is guaranteed for 15 years

Protect Crete products manufactured by Oxtek Solutions Pty Ltd are the trusted brand in the flooring industry, offering a range of quality products that penetrate and provide a permanent moisture and vapour barrier.

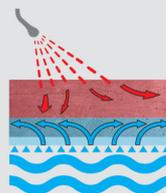

- Cures, densifies, hardens and waterproofs concrete up to 200mm.
- Doesn't form a membrane – after trade friendly for epoxies, line marking, levelling compounds, adhesives.
- Colloidal Silicate – fills capillaries and voids created by the bleed water.
- Reduces shrinkage cracking, efflorescence and reo corrosion.
- Environmentally Friendly, HACCP Certified and low odour – 0.0g/l VOC.

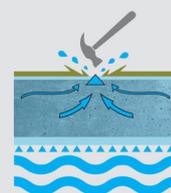

Single pack, safe and easy to apply:

EXISTING AND NEW CONCRETE X200 DENSI-PROOF AND X220 MOISTURE-FIX

Fully absorbed in to the concrete, an Oxtek Solution won't be compromised by a high impact, gouge or small cut on the surface and will work to your project specification. Oxtek Solutions are guaranteed for concrete aged under 15 years, with a project specification.

Oxtek internal membrane provides a permanent moisture barrier

Temporary topical membrane

GILT EDGE SUPPLIES UZIN PRODUCTS TO NEW T GALLERIA IN QUEENSTOWN

Recently Gilt Edge Industries supplied a comprehensive range of UZIN products to Queenstown Flooring Xtra for use in the new T Galleria by DFS, in the iconic retail complex O'Connells in Queenstown.

The quantifying and negotiation for the contract was handled by Queenstown Flooring Xtra Commercial Manager Greg Merwood while owner Wayne Eade carried out the the subfloor preparation with his Queenstown based team .

Approximately 2500sqm required levelling to correct the substrate which was out by up to 35mm.

A range of Uzin Floor repair compounds were used in total some 2300 bags.

Products used being:

Uzin SC914 Lightweight Screed

Uzin RR201 Fibreglass Reinforcement

Uzin SC980 Engineered Cement

Uzin PE280 Primer

Uzin Deepfill

Uzin NC160 Level Star

Uzin NC170 Level Star

The installation of the resilient floor covering will take place in August and this will be installed using Uzin KE66 adhesive .

All promotional pricing excludes GST and is nett of any further discounts. Some promotional items may have quantity limits. No refunds or credits accepted on end of line stock clearances and promotional deals .
