LATEST NEWS - NEW RELEASES - SPECIAL DEALS

MAY - JULY 2018

FROM THE DESK:

Welcome to the May - July edition of the Gilt Edge newsletter. This month we are pleased to introduce two new staff members to the Gilt Edge Industries Team.

Wayne Noronha has joined us in the capacity of our National Supply Chain Manager. Wayne brings a wealth of experience to the Gilt Edge team after years of international and national logistics and supply chain management that will benefit our own supply chain.

Shane Driscoll has joined our Wellington based team as our Wellington Store Manager at our Gilt Edge Petone Branch. Shane comes to us with extensive warehousing and stores experience from Ullrich Aluminium that will be of great value to our Lower North Island region customers.

In this edition we are highlighting a number of marketing activities we have embarked upon. Below we highlight our new Stair Edgings and Floors Trims display cases. On the inside and last page of this flyer we feature some more commercial projects recently completed, our new System Flooring Systems modules, as well as a number of promotional products and new product releases for you to take advantage of.

We hope you enjoy the read.

Best Regards
Gary Clark
National Sales Manager

Wayne Noronha

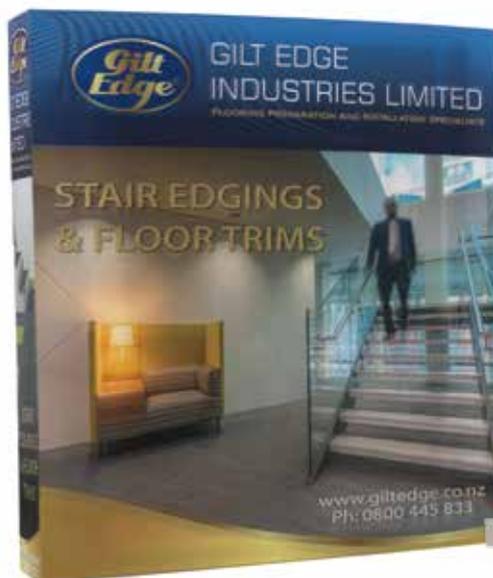

Shane Driscoll

UZIN KE66 SUPER BUY

THE ULTIMATE
FIBRE-REINFORCED TROWEL
APPLIED ADHESIVE!

Specified for Luxury Vinyl Tiles
and Rubber flooring products.

Code: UZKE66

COMMERCIAL PROJECT HIGHLIGHTS

Unitec Mt Albert Campus Atrium Refurbishment Project

Area: Approximately 350m²

Contractor: Surfprep Ltd with Project Manager Justin Lopez.

Challenge: Existing floor area covered in old ceramic tiles in poor condition.

Floor slopping over entire area so unable to be topped with gravity levelling systems.

New carpet tile installation required.

Solution: Loose tiles removed and entire area primed with **UZIN PE 280 Primer** for Smooth and Non Porous Surfaces.

Primed surface repaired and smoothed over with **UZIN NC182** trowel applied high strength rapid cure smoothing compound.

Carpet tiles glued to refurbished surface with **Gilt Grip 66** pressure sensitive carpet tile adhesive.

Result: Another quality Gilt Edge Seamless Flooring System applied.

Panmure Retail Refurbishment Project

Area: Approximately 300m²

Contractor: Contract Flooring team with Project Manager Carlos Hedge.

Challenge: Existing floor area was an aged concrete floor that required levelling, and had high RH moisture issues.

The old flooring was removed and a new carpet tile installation was required.

Solution: The existing subfloor was ground to a sound clean surface. **UZIN PE 480** Primer 2-Part epoxy moisture barrier for substrates with high residual moisture content was trowel applied.

The cured primed surface was primed with **UZIN PE 280** rapid film smoothing primer for smooth non porous surfaces.

The cured primer was coated with the rapid levelling system **UZIN NC 170** Level Star rapid high strength levelling compound.

The Carpet Tiles were glued to refurbished surface with **Gilt Grip 66** pressure sensitive carpet tile adhesive.

Result: Yet another quality Gilt Edge Seamless Flooring System applied.

Commercial Foam Latex Doublebond Underlay

Gilt Edge Industries Ltd stock these exceptional latex sheet foam doublebond underlays which are fully warranted for purpose, covering a range of thicknesses from 3.7mm up to 6.5mm for carpet tiles or broadloom carpet installations. **Total System Warranty Adhesive & Underlay.**
