LATEST NEWS - NEW RELEASES - SPECIAL DEALS

NOVEMBER 2022-JANUARY 2023

FROM THE DESK:

Dear Clients,

We are moving swiftly to the conclusion of another year. Our annual Xmas Ham Promotion is in full swing – please see details on page two. These succulent quality NZ grown ham on the bone make for great client or staff gifts and create one less decision for you on what to serve up on Christmas Day.

Gilt Edge would like to welcome Jaco Malan to our sales team. Based in Auckland as Technical Sales Account Manager Jaco will manage our key commercial client base in the greater Auckland Region. Jaco has been involved in the flooring industry for some time having left Mapei to join us and previously having worked for Bostik.

Page three highlights our Woody Grinding Cup Range, of particular attention to vinyl layers. In addition we are pleased to announce that Trimtec, New Zealand's favourite hardboard underlayment is back in stock! Also check out our awesome super deal on our premium hybrid memory foam Luxe Silk Underlay on page four.

It's been another challenging year from a supply chain and pricing perspective, however we have significant stockholdings nationally with a steady flow of orders in transit from around the world to ensure we have what you want when you need it.

We thank you all for your valued support throughout 2022 and wish you and your families a safe, relaxing and enjoyable Christmas and New Year period and look forward to supporting you in 2023.

Best regards
Chris Dickey
Managing Director

TRIMTEC NZ's favourite premium timber underlayment is back in stock!

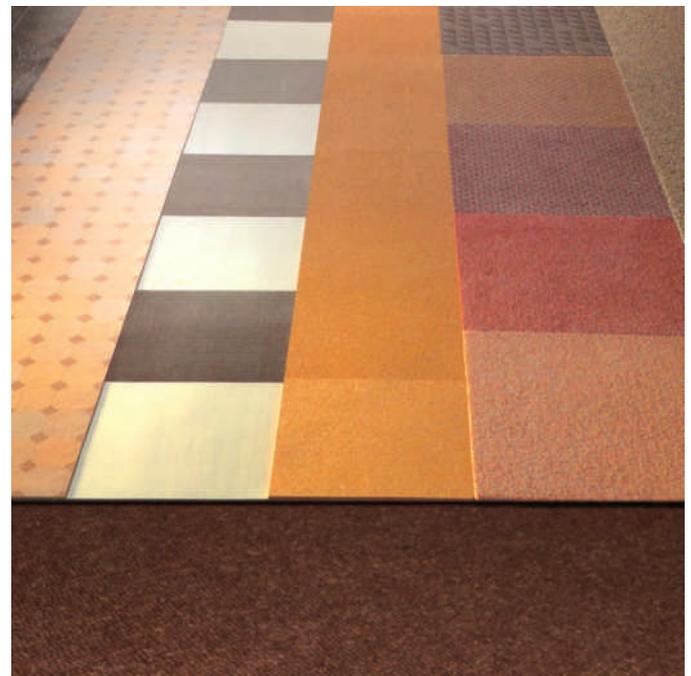

Trimtec Underlay is a high quality, highly durable underlay product designed to be used over strip timber, particleboard, plywood and concrete floors to provide a flat, uniform, indent resistant base for sheet floor coverings.

Trimtec Underlay is manufactured using an ISO 9001 certified process and complies with AS/NZS 1859.4:1997 - Reconstituted wood based panels - Hardboard. Installation of Trimtec Underlay will be compliant to AS/NZ 1884-2012

PRODUCT DETAILS

Highly resistant to indentations caused by point loads from items such as table legs, chairs, stools, book cases, wall units and high heel shoes.

- Provides a flat, uniform, indent resistant surface on which to lay resilient sheet or tile floor coverings.
- Trimtec Underlay is tough, flexible and resistant to cracking or fracturing.
- The smooth surface of Trimtec Underlay allows even and economical application of adhesive.
- Easy to work and fix with normal wood working tools and flooring installation equipment.
