## SABRE SCC CITRUS CLEANER

---

### PRODUCT DESCRIPTION

---

SABRE SCC CITRUS CLEANER is an environmentally safe, biodegradable, citrus cleaner developed to remove Sabre Adhesives, wet or dried, from unwanted areas. It is also effective for equipment cleanup, degreasing, overspray and removing other materials such as grease, oil, ink, stickers and tar. This cleaner utilises strong citrus oil solvents which not only clean well but also leave a pleasant citrus aroma. SABRE SCC is safe to use on many surfaces and substrates including painted surfaces, glass, porcelain, concrete, decorative laminates, and many plastics and vinyls.

---

### PRODUCT USAGE

---

Prior to using SABRE SCC, always test on an inconspicuous area (extremely important on auto finishes). Do not allow to puddle on the surface especially on painted or other coloured surfaces as sometimes the colour can be removed. First, attempt to remove the adhesive by applying SABRE SCC to a clean cloth then rubbing the surface. If this fails, apply SABRE SCC sparingly directly to the surface and use a cloth or a scrub brush to remove the adhesive then wipe the surface clean. Repeat this procedure if necessary. Ensure SABRE SCC has completely evaporated if adhesive is to be reapplied to the surface.

---

### SHELF LIFE

---

1 year from date of manufacture.

---

### STORAGE

---

Not damaged by freezing. Return to room temperature prior to use.

---

### NOTE

---

Before using, the user shall determine the suitability of the product for their intended use. Use only as directed. Additional information is listed in the Material Safety Data Sheet.

## PHYSICAL PROPERTIES

Appearance	Clear Liquid
Base	Solvent Mixture
Solvent	Solvent: d-limonene
Product Density	6 lb/gal
Packaging	368g aerosol can • 3.5kg disposal canister

## FIRST AID

Ingestion: DO NOT induce vomiting. Rinse mouth immediately and give 1-2 glasses of water and obtain medical assistance. Should the patient vomit, maintain a clear airway until medical assistance is obtained.

Eye Contact: Wash with water immediately and obtain medical assistance.

Skin Absorption: Wash all affected areas thoroughly with soap and water. Clothing should be laundered before re-use. Seek medical advice for skin irritation.

Inhalation: Carefully remove persons to fresh air, avoid becoming affected yourself. If the person is severely affected obtain medical assistance. If the person stops breathing apply artificial respiration and other first aid techniques as required until medical assistance is obtained.

Contact NZ Poisons Centre - 0800 764 766

## SPILL OR LEAKS

Wear appropriate protective clothing and equipment. Extinguish all ignition sources. Dam and recover. Prevent entry into drainage systems, rivers and waterways etc. Collect with absorbent materials such as sand, earth or appropriate

commercial absorbent. Shovel up with non-sparking tools then place into suitable containers for disposal as per Local / State or Federal Regulations. Empty containers may have product residue. Follow safety procedures until empty container is cleared.

## FIRE

In case of fire use Carbon Dioxide. Foam or Dry Chemical . Do not use Water Jets.

## WARNINGS

For industrial use only. Use in ventilated areas. Do not store above 48°C. Intentional misuse by deliberately concentrating and inhaling contents can be harmful or fatal. Keep out of reach of children.

## CAUTION

This material may be harmful if swallowed or inhaled and may cause skin or eye irritation.

Avoid breathing vapor. Use only in well-ventilated areas and

wear appropriate personal protection equipment. Avoid contact with skin and eyes. Do not eat, drink or smoke while using. Keep away from heat, sparks, open flames and any other sources of ignition. Do not contaminate water supply. Dispose of empty containers safely.

Additional information is listed in the Material Safety Data sheets.

#### DISCLAIMER OF WARRANTY:

Manufacturer and distributor of this product make no warranty, express or implied, including, but not limited to any implied warranty of fitness for a particular purpose. No warranty is made as to the use or effects incidental to such use, handling or possession of the materials herein described. User is responsible for determining whether this product is fit for a particular purpose and method of application and assumes all risk and liability associated herewith. Manufacturer liability is limited to replacement of product or reimbursement of purchase cost at its sole discretion. No representative of ours has authority to change this provision which relates to all sales.
